WORK EXPERIENCE:

New Day Children's Theatre Collierville, TN
Theatre Director June 2022

- Directed a two-week intensive theatre summer camp with children aged 7-14.
- Collaborated with other theatrical artists to produce a fully staged production featuring the children at the end of the camp.
- Worked with the children in a workshop style setting teaching different aspects of performance, dance, and singing in a theatrical production.
- Held auditions, and cast the show out of the children in the summer camp.
- Held daily rehearsals to teach the blocking, choreography, and music throughout the show.
- Programmed the lights for the production.
- Gathered props, and costumes for the production.
- Ensured the safety of the children over the course of the summer camp.

New Day Children's Theatre Collierville, TN
Stage Management Instructor May 2022-November 2022

- Worked with the creative team of New Day Children's theatre to better define the roles and responsibilities of the stage manager within the context of the company's theatrical production.
- Created a series of documents to better organize this process for the stage manager and the rest of the creative team.
- Organized these documents into a binder for the stage manager to reference throughout the course of the production, and to use as a rubric in creating similar documents in the future.
- Created a show binder for the theatre company's current productions including detailed charts, cue lists, and calls for the stage manager to execute throughout the run of the two shows. (Drowsy Chaperone and Percy Jackson and the Lightning Thief)
- Communicated with other members of the production's backstage crew to better execute the technical elements present within each show.

Briarcrest High School Eads, TN
Theatre Instructor September 2021- May 2022

- Worked with high school aged children as an instructor over the course of their school's high school theatre productions.
- Taught different aspects of theatre ranging from scene analysis, character work, physical theatre, and stage combat depending on the needs of the production.
- Gathered resources for the students to use in their preparation for their roles within each production.
