

1 - My wonderful family

I live in a house near the mountains. I have two brothers and one sister, and I was born last. My father teaches mathematics, and my mother is a nurse at a big hospital. My brothers are very smart and work hard in school. My sister is a nervous girl, but she is very kind. My grandmother also lives with us. She came from Italy when I was two years old. She has grown old, but she is still very strong. She cooks the best food!

My family is very important to me. We do lots of things together. My brothers and I like to go on long walks in the mountains. My sister likes to cook with my grandmother. On the weekends we all play board games together. We laugh and always have a good time. I love my family very much.

2 - My morning routine

My name is Bob. Each day I drive my kids to school. My daughter goes to a school. That's far from our house. It takes 30 minutes to get there. Then I drive my son to his school. It's close to my job. My daughter is in the sixth grade and my son is in the second. They are both good students. My daughter usually sings her favorite songs while I drive. My son usually sleeps.

I arrive at the office at 8:30 am. I say good morning to all my workmates then I get a big cup of hot coffee. I turn on my computer and read my email. Some days I have a lot to read. Soon I need another cup of coffee.

3- My city

My city isn't a bad city however it's nothing to get too excited about either. Because it's a quiet city with very little crime. There are plenty of schools and several parks. There are also quite a number of jobs. People work in both offices and factories.

Having grown up here, I know it well. Too well. I'm ready to move to another place. I want to see other cities and other countries, I think it's important to learn new things and explore other cultures. I like to spend time with people who have ideas that are different from my ideas. It helps me to see things in a new way.
